

CISC-810: Research Foundation
(Fall Semester, 2020-2021)

Assignment: Presentation and Evaluation
(Due Date: Nov 3/5/10/12, Nov 17/19/24/Dec 1, 2020)

In this assignment you are expected to

- Upload the presentation to mycourses (by 1am, Nov 3).
- You will make an oral presentation based on your manuscript (Nov 3, 5, 10, 12)
 - Length of presentation: 8 minutes.
 - Length of Q&A: 2 minutes.
 - You will be evaluated on
 - Is the goal clear from the presentation?
 - How well is the presentation targeted at the specified goal and the specific audience?
 - Is the correct content chosen from your manuscript to achieve the goal?
 - Is the structure appropriate?
 - How well is time management?
 - Quality of slides and other media: color use, pictures, visual effects, use of sound, etc.
 - Quality of delivery: speed, interaction with the audience, body language, etc.
- All of you shall actively participate in the presentations and Q&A of other students.
- Revise the presentation and upload the revised presentation to mycourses (by 1am, Nov 17).
- You will make the presentation based on the revised presentation (Nov 17, 19, 24, and Dec 1).
